1) Under Sec 49 of the LA Act where the owner objects to acquisition of a portion of the property it shall not be proceeded with. There is a mandatory provision so in the present case the proposal is to acquire a portion to which the owner objects Hence Sanction cannot perhaps be given to the proposal in view of the provision of Sec 49 of the LA Act If the property is to be acquired as, the entire property has to be taken perhaps after re-starting fresh acquisition proceedings This means extra cost to the Corporation also

Sir,

Subject Acquisition of portion of Survey No 48/3, Kethamarnahalli Village, Bangalore North Taluk, for the formation of a road in between Adidravida Block and Lakshminarayanapuram, III Division, Bangalore City

---

With reference to the Government notification No L 16797/C M 6-52-45 dated 31st December 1952 authorising me to hear objections under section 5 (A) Land Acquisition Act on the above subject, I write to state that notice under section 4 Land Acquisition Act was issued and served on the owners son calling for objections under section 5 Land Acquisition Act In response, Sri Ramu one of the Anubhavadars filed an objection petition on 17-2-1953 (copy enclosed) on the proposed acquisition and stated as follows -

1) The name of the khatedar should be Srimathi Chinnamma instead of Chikkamma as notified in the Gazette

2) The property was purchased by his mother under a sale deed some years ago, after she died about 1½ years back, it came to the possession and enjoyment of himself and his brother

3) As there was already a main road running in front of their building, the proposed road would be unnecessary, if half the portion of the house, were to be acquired, the remaining portion would be useless for them etc

On the objection petition received, I inspected the spot on 30-3-1953 and decided to acquire the portion of the property as per measurements already notified in the gazette

The draft final declaration statements have been prepared and enclosed herewith incorporating the necessary changes in the names of the khatedar and Anubhavadars of the property, for favour of arranging publication in the official gazette

The estimated cost of acquisition amounting to Rs.2,275/- will be met out of the provision made in the current year's budget of the Corporation

I request that sanction of Government may kindly be obtained for the said acquisition authorising me to take order for the acquisition of this property under section 7 Land Acquisition Act

The Compiler, Mysore Gazette may be requested to send 20 spare copies of notifications of each set to this office as usual
